Bibs and packets can also be picked up by a third person, showing the specific authorization form signed by the legitimate owner of the number. The delegate must be able to present all the documents necessary for participation.

Transport

Athletes already in possession of bibs will be allowed to reach the start independently, remaining autonomous for transport to and from Rotonda Diaz.

Participants will be able to use the shuttles provided by the organization to reach the start. Shuttles will depart from Viale Anton Dohrn behind the Sport Village. Participants should be prompt in respecting the schedule, so the bib pick-up is even more decisive the day before the event.

TRAVEL TIME FROM ROTONDA DIAZ TO BACOLI IS ABOUT 45 MINUTES.

Bag deposit

Athletes will be able to leave their personal bags on board, taking care to put them under the seat occupied during the transport. For those who will be at the start without passing through the Sport Village on race morning, there will be a van collecting their bags. It is recommended to deliver the bags no later than 8:45 a.m. to allow the respect of the timetable. The Napoli Road Runners Association will not be responsible for the bags of those who go to the bag deposit after the time specified. It is recommended not to leave personal belongings (mobile, wallet, etc.) inside the bags. While ensuring the utmost care in the custody of the bags, the organization will not be responsible for any theft.
